## Live Free or Die: America (And the World) on the Brink by Sean Hannity

America's top-rated cable news host offers his first book in ten years: a look at America's fight against those who would reverse our tradition of freedom, a fight we can't afford to lose in 2020. America is great for a reason. Built on principles of freedom, rugged individualism, and self-sufficiency, no country has ever accumulated more power and wealth, abused it less, or used that power more to advance the human condition.

## Rage by Bob Woodward

Woodward, the #1 international bestselling author of *Fear: Trump in the White House*, has uncovered the precise moment the president was warned that the Covid-19 epidemic would be the biggest national security threat to his presidency. In dramatic detail, Woodward takes readers into the Oval Office as Trump's head pops up when he is told in January 2020 that the pandemic could reach the scale of the 1918 Spanish Flu that killed 675,000 Americans.

## True Crimes and Misdemeanors by Jeffrey Toobin

From CNN chief legal analyst and bestselling author Jeffrey Toobin, a real-life legal thriller about the prosecutors and congressional investigators pursuing the truth about Donald Trump's complicity in several crimes--and why they failed. Based on dozens of interviews with prosecutors in Mueller's office, Trump's legal team, Congressional investigators, White House staffers, and several of the key players, including some who are now in prison, this book is a revelatory narrative that makes sense of the seemingly endless chaos of the Trump years. Filled with never-before-reported details of the high-stakes legal battles and political machinations, the book weaves a tale of a rogue president guilty of historic misconduct, and how he got away with it.

## The Daughters of Yalta: The Churchills, Roosevelts, and Harrimans: a Story of Love and War by Catherine Grace Katz

The untold story of the three intelligent and glamorous young women who accompanied their famous fathers to the Yalta Conference with Stalin, and of the fateful reverberations in the waning days of World War II.

"This work will appeal to readers intrigued by diplomatic history and the WWII era." - Booklist Reviews

## Reaganland by Rick Perlstein

From the bestselling author of Nixonland and The Invisible Bridge comes the dramatic conclusion of how conservatism took control of American political power.

Backed by a reenergized conservative Republican base, Reagan ran on the campaign slogan "Make America Great Again" and prevailed. Reaganland is the story of how that happened, tracing conservatives' cutthroat strategies to gain power and explaining why they endure four decades later.

## Killing Crazy Horse: The Merciless Indian Wars in America by Bill O'Reilly & Martin Dugard

The latest installment of the multimillion-selling Killing series is a gripping journey through the American West and the historic clashes between Native Americans and settlers.

The bloody Battle of Tippecanoe was only the beginning. It's 1811 and President James Madison has ordered the destruction of Shawnee warrior chief Tecumseh's alliance of tribes in the Great Lakes region. But while General William Henry Harrison would win this fight, the armed conflict between Native Americans and the newly formed United States would rage on for decades.

This fast-paced, wild ride through the American frontier will shock readers and impart unexpected lessons that reverberate to this day.
